Edmund B. Cronin, Jr. Chairman, President and CEO, stated, "Though the economy continues to weaken WRIT has been able to weather the storm and produce relatively strong growth." He also noted, "The decline of 5.4% per share for FAD is a result of the timing of non-recurring capital expenditures, which WRIT includes in its calculation for funds available for distribution."

WRIT is a self-administered, self-managed, equity real estate investment trust investing in income-producing properties in the greater Washington-Baltimore region. The Trust owns a diversified portfolio of 57 properties consisting of 10 retail centers, 23 office properties, 15 industrial and 9 multifamily properties.

WRIT has achieved 36 consecutive years of increased earnings per share and 29 consecutive years of FFO per share growth. WRIT's dividends have increased every year for 31 consecutive years. During these 31 years, WRIT's dividends have increased 36 times, a record unmatched by any other publicly traded real estate investment trust. - WRIT has no non-income producing land held for development and no speculative construction in process.
- 2. WRIT has only one theatre lease in its portfolio. This lease runs through 6/30/02 at rent that WRIT estimates to be less than 1/3 of current market rent.
