PROXY STATEMENT

This Proxy Statement is furnished by the Trust's Board of Trustees (the "Board") in connection with its solicitation of proxies for use at the Annual Meeting of Shareholders on May 22, 2003 and at any and all adjournments thereof. Mailing of this Proxy Statement will commence on or about March 31, 2003 to shareholders of record as of March 17, 2003. All proxies will be voted in accordance with the instructions contained therein, and if no instructions are specified, the proxies will be voted in accordance with the recommendations of the Board. Therefore, if no instructions are specified, the proxies will be voted FOR the election of the two Trustee nominees listed. Abstentions and broker non-votes (proxies that indicate that brokers or nominees have not received instructions from the beneficial owner of shares) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulating the total number of votes cast on proposals presented to shareholders, whereas broker non-votes are not counted for purposes of determining the total number of votes cast. A Proxy on the enclosed form may be revoked by the shareholder at any time prior to its exercise at the Annual Meeting by submitting, to the Corporate Secretary of the Trust, a duly executed Proxy bearing a later date or by attending the Annual Meeting and orally withdrawing the Proxy.

The voting securities of the Trust consist of shares of beneficial interest, \$0.01 par value ("Shares"), of which 39,183,742 Shares were issued and outstanding at the close of business on March 17, 2003. The Trust has no other class of voting security. Each Share outstanding on March 17, 2003 will be entitled to one vote. Shareholders do not have cumulative voting rights.

THE BOARD OF TRUSTEES AND MANAGEMENT

The Board of Trustees

The Board consists of seven Trustees divided into two classes of two Trustees each and one class of three Trustees. The terms of the Trustees continue until the Annual Meetings to be held in 2003, 2004 and 2005, respectively, and until their respective successors are elected. At each Annual Meeting, two or three Trustees are elected, subject to the limitations described below, for a term of three years to succeed those Trustees whose terms expire at such Annual Meeting. The Trust's By-Laws provide that no Trustee shall be nominated for election as a Trustee after such person's 72nd birthday.

The Board held eight meetings in 2002. During 2002, each incumbent Trustee attended more than 75% of the total number of Board and committee meetings he or she was eligible to attend.

The *Nominating Committee* held one meeting in 2002. The nominating committee makes recommendations to the Board for nominations of Trustees. The Committee will consider recommendations received from shareholders for nominations for Trustees to be elected at the 2004 Annual Meeting. Such recommendations must be submitted in writing before December 2, 2003 accompanied by a written statement setting forth the reasons the Trust would benefit from the election of such nominee. Committee members are Messrs. Cronin, Derrick, Osnos and Ms. Williams. A copy of the Corporate Governance/Nominating Committee Charter, adopted on February 20, 2003, is included in Appendix A.

The *Audit Committee* met eight times in 2002. The Audit Committee assists the Board in discharging its responsibility of oversight, but the existence of the Committee does not alter the responsibilities of the Trust's management and the independent accountant with respect to the accounting and control functions and financial statement presentation. For a more detailed description of the Audit Committee's duties and responsibilities see the Audit Committee Report on page 10 of this Proxy Statement. Committee members are Messrs. Derrick, Kendall, McDaniel, Osnos and Nason. A copy of the Audit Committee Charter, as revised on February 20, 2003, is included in Appendix C.

The *Compensation Committee* met four times in 2002. The Committee is responsible for making recommendations to the Board with respect to executive compensation decisions. Committee members are Messrs. Kendall, McDaniel, Nason and Ms. Williams. See "Report on Executive Compensation" on page 7. A copy of the Compensation Committee Charter, adopted on February 20, 2003 is included in Appendix B.

The six non-officer Trustees of the Trust received an annual retainer of \$18,000 plus a \$1,000 per meeting fee for attending Board and committee meetings. In addition, each non-officer Trustee receives an annual grant of 2,000 share options and 400 unrestricted Shares. The Trust has approved a non-qualified deferred compensation plan for the Trustees. The plan will allow the Trustees to defer a percentage of his or her cash compensation. Compensation deferred will be credited with interest. Upon the expiration of a Trustee's term, the compensation plus interest can be paid in either a lump sum or in installments at the discretion

of the Trustee. Upon death, the Trustee's beneficiary will receive a lump sum pay out. The plan is unfunded and payments are to be made from general assets of the Trust.

The dollar amounts under the 5% and 10% columns in the table above are the result of calculations required by the rules of the Securities and Exchange Commission ("SEC") and therefore are not intended to forecast possible future appreciation in the price of the Shares, which would benefit all shareholders. For example, in order for the Named Officers to realize the potential values set forth in the 5% and 10% columns in the table above, the price per share of the Shares would have to be approximately \$41.72 and \$66.43, respectively, as of the expiration date of the option. Actual gains, if any, on option exercises and share holdings are dependent on the future performance of the Shares and overall stock market conditions.

Compensation Committee Interlocks and Insider Participation

The Board determined executive compensation for 2002. The Compensation Committee, composed of Messrs. Kendall, McDaniel, Nason and Ms. Williams, was responsible for making recommendations to the Board with respect to 2002 compensation decisions. There are no Compensation Committee interlocks and no Trust Employee serves on the Compensation Committee.

REPORT ON EXECUTIVE COMPENSATION

Executive Compensation Principles

The Trust's Executive Compensation Program is based on guiding principles designed to align executive compensation and management incentives with Trust values and objectives, business strategy and business financial performance. In applying these principles, the Compensation Committee, based upon the recommendations contained in the 1997 Board of Trustees and Executive Compensation Review prepared by an independent consultant, has established a program designed to:

- Attract and retain key executives critical to the long-term success of the Trust;
- Reward executives for long-term strategic management and the enhancement of shareholder value; and
- Support a performance-oriented environment that rewards performance based upon exceeding Trust operating performance goals.

Executive Compensation Program

For 2002, the Board, upon recommendation of the Compensation Committee, adopted an Incentive Compensation Plan (the "Plan") based upon the recommendations contained in the 1997 Board of Trustees and Executive Compensation Review (prepared by an Independent consultant) to align executive compensation with Shareholder interests through salaries, cash bonuses, share grants and option grants tied to pre-set objective performance goals.

Under the Plan the Compensation Committee set salaries for the Trust's executive officers based upon (i) a review of the compensation paid to similarly situated executive officers employed by companies comprising the Morgan Stanley REIT Index; and (ii) a subjective evaluation of each executive officer's performance throughout the year. See "Executive Compensation — Performance Graph" for additional discussion regarding the Morgan Stanley REIT Index.

For 2002, cash bonuses would be paid only if the Trust's Funds From Operations ("FFO") per share grew by at least 4%. If this minimum threshold was achieved, a bonus pool would be created as follows: 10% of the first 7% of the growth in FFO per share times the average shares outstanding for the year, plus 20% of the growth in FFO per share in excess of 7% times the average Shares outstanding for the year, would go into the bonus pool. Executive officers of the Trust and selected senior and middle management share the bonus pool pro-rata based on their salaries. Since this threshold was not met in 2002, no cash bonuses were paid.

Long-term incentives are provided through the New Stock Option Plan and Share Grant Plan. Managing Directors receive stock option grants with a value equal to 22.5% (36% for the CEO, 30% for the Executive Vice President and 28% for the Senior Vice President and Chief Financial Officer) of their annual salary plus annual bonus ("Cash Compensation"). The option value is based upon a Black Scholes model calculation. This value is divided into 22.5% of the individual's Cash Compensation (36% for the CEO, 30% for the Executive Vice President and 28% for the Senior Vice President and Chief Financial Officer), and the resulting number is the number of Shares subject to the grant of an option for such year. Notwithstanding the forgoing, the number of stock options which may be granted to any individual is limited to 100,000 in any one year. Stock options become exercisable 50% after one year and 100% after two years. Certain members of middle management are also eligible to receive stock options under the New Stock Option Plan. Executive officers are also eligible to receive share grants through the Share Grant Plan. Under the Share Grant Plan, Managing Directors receive an award of Shares with a market value of 2.5% of the individual's Cash Compensation (9% for the CEO, 7% for the Executive Vice President, Senior Vice President and Chief Financial Officer) at the date of the award. Shares granted under the Share Grant Plan vest 20% per year over five years and are restricted from transfer for five years from the date of grant.

In 2000, the Board approved a split dollar life insurance plan for senior officers other than the CEO. The purpose of the plan is to provide these officers with financial security in exchange for a career commitment. It is intended that the Trust will recover its costs from the life insurance policies at death prior to retirement, termination prior to retirement, or retirement at age 65. It is intended that the executive can use the cash values of the policy in excess of the Trust's interest. The Trust has a security interest in the cash value and death benefit of each policy to the extent of the sum of premium payments made by the Trust.

[Table of Contents](#)

The Trust has adopted a non-qualified deferred compensation plan for the officers and members of the Board of Trustees. The plan allows for a deferral of a percentage of annual cash compensation and trustee fees. The plan is unfunded and payments are to be made out of the general assets of the Trust.

The Committee and the Board believes that compensation paid to the Trust's executive officers is comparable to that paid by the companies comprising the Morgan Stanley REIT Index.

Chief Executive Officer Compensation

Mr. Cronin's 2002 compensation consisted of his salary, Share grants and options based upon the Executive Compensation Program described above. Mr. Cronin's salary was recommended by the Compensation Committee based upon (i) a review of the compensation paid to chief executive officers employed by companies comprising the Morgan Stanley REIT Index and (ii) a subjective evaluation of Mr. Cronin's performance throughout the year. As described above under the Plan, specific performance goals were not established for Mr. Cronin during 2002 as relates to salary but were established for bonus and related share grant and share option purposes. In general, the Morgan Stanley REIT Index comparison and the subjective evaluation were weighted equally by the Committee and the Board when making the decision to set Mr. Cronin's 2002 salary at \$440,325. The Committee and the Board believes that compensation paid to Mr. Cronin is comparable to compensation paid to the chief executive officers of the companies comprising the Morgan Stanley REIT Index.

Supplemental Executive Retirement Plan

The Trust established a Supplemental Executive Retirement Plan ("SERP") effective July 1, 2002 for the benefit of the CEO. Upon the CEO's termination of employment from the Trust for any reason other than death, discharge for cause or total and permanent disability, the CEO will be entitled to receive an annual benefit equal to his accrued benefit times his vested interest. The CEO shall vest in accordance with the following schedule for each year of continuous employment with the Company measured by reference to his birthday and commencing with the CEO's sixty-fifth (65th) birthday:

Years of Continuous Employment	Percentage Vested
1	0%
2	0%
3	50%
4	75%
5	100%

The CEO shall be 100% vested upon his seventieth (70th) birthday, if having remained employed through said date. In addition, the CEO shall become 100% vested in the event of his termination of employment prior to his seventieth (70th) birthday due to the incurrence of a total and permanent disability (as defined in the Company's long-term disability plan). In addition, the Board of Trustees may, in its sole and absolute discretion, elect to accelerate the rate of vesting in whole or in part at any time.

The Trust purchased a universal life insurance policy on the CEO's life to serve as a source of funds to assist in meeting its liabilities under the SERP. Through an endorsement split dollar arrangement, the Trust has made available to the CEO pre-retirement life insurance coverage through age 70.

In the event the CEO continues in the employment of the Company until age 70, the annual benefit to be paid to the CEO shall be \$200,000. The SERP is not subject to vesting, funding and fiduciary requirements under ERISA.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), a publicly held company such as the Trust will not be allowed a federal income tax deduction for compensation paid to the chief executive officer or one of the other four most highly compensated officers (other than the chief executive officer) to the extent that compensation (including certain stock-based compensation) paid to such officer exceeds \$1 million in any fiscal year, unless such compensation satisfies certain exceptions set forth in the Code. The Board intends to evaluate elements of compensation in light of Section 162(m), but may enter into arrangements that do not satisfy such exceptions to Section 162(m), as the Board determines to be appropriate.

AUDIT COMMITTEE REPORT

The Board maintains an Audit Committee comprised of five of the Trust's outside Trustees. The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies Section 303 of the New York Stock Exchange's listed company manual. In appointing Mr. Osnos to the Audit Committee, the Board considered his relationship with the Trust's legal counsel and determined in its business judgment that the relationship does not interfere with his exercise of independent judgment. The Audit Committee held eight meetings during 2002.

The Board adopted a written Charter of the Audit Committee in February 2001 and reviewed and revised the Charter in February 2003. A copy of the revised charter is included in appendix C-1 to this proxy statement. The Audit Committee oversees the Trust's financial process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The independent public accountants, Ernst & Young LLP, are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee discussed with the Trust's independent public accountants the overall scope and plans for their audit. The committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Trust's internal controls and the overall quality of the Trust's financial reporting.

The Audit Committee reviewed with the independent public accountants their judgments as to the quality, and not just the acceptability, of the Trust's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61, "Communication with Audit Committees." In addition, the Committee has discussed with the independent public accountants their independence from management and the Trust, including the matters in the written disclosures and the letter from the independent public accountants required by the Independence Standards Board, Standard No. 1, "Independence Discussions with Audit Committees."

[Table of Contents](#)

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Trust's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the SEC. The Audit Committee has also recommended, and the Board has approved, the selection of Ernst & Young LLP as the Trust's 2003 independent public accountants.

Principal Accounting Firm Fees

The following table sets forth the aggregate fees billed to the Trust for the year ended December 31, 2002 by the Trust's independent public accountants, Ernst & Young LLP. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the public accountant's independence.

Audit Fees	\$385,000	(a)
Compensation Study Fees	47,400	
Financial Information Systems Design and Implementation	—	
All Other Fees	183,600	(b)
	<u>\$616,000</u>	

(a) Audit fees include \$210,000 of costs incurred for the re-audits of fiscal years 2000 and 2001 due to the change in independent public accountants.

(b) Includes fees for tax services, cost segregation study fees, and other non-audit services.

**PROPOSAL 1:
ELECTION OF TRUSTEES**

Mr. John M. Derrick, Jr. and Mr. Charles T. Nason stand for election as Trustees at the Annual Meeting, to serve for three years. It is intended that the proxies given to the persons named in the accompanying Proxy (unless otherwise indicated on such Proxy) will be voted for the election of Mr. John M. Derrick, Jr. and Mr. Charles T. Nason who currently serve as Trustees.

If a nominee becomes unable or unwilling to stand for election for any reason not presently known or contemplated, the persons named in the enclosed Proxy will have discretionary authority to vote pursuant to the Proxy for a substitute nominee nominated by the Board. The election of Trustees requires the affirmative vote of the holders of a majority of the shares.

**THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF THE
ELECTION OF MR. JOHN M. DERRICK, JR. AND MR. CHARLES T. NASON**

OTHER MATTERS

Independent Public Accountants

The Trust retains Ernst & Young LLP as its principal independent public accountants, as recommended by the Audit Committee and approved by the Board of Trustees. On April 29, 2002, the Trust dismissed Arthur Andersen LLP as its independent public accountants effective as of that date. The decision to dismiss Arthur Andersen LLP was recommended by the Audit Committee and approved by The Board of Trustees.

Arthur Andersen LLP's reports on the Trust's financial statements for the two years ended December 31, 2001 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with its audits for the two years ended December 31, 2001, and through March 31, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement if not resolved to the satisfaction of Arthur Andersen LLP would have caused them to make reference thereto in their report on the financial statements for such years. During the two years ended December 31, 2001 and through March 31, 2002, there were no reportable events as defined in Regulation S-K Item 304(a)(1)(v).

As required under the regulations of the SEC, the Trust provided Arthur Andersen LLP with a copy of its disclosure in connection with this matter and requested Arthur Andersen LLP to furnish the Trust with a letter addressed to the SEC stating whether it agreed with the above statements. A copy of Arthur Andersen LLP's letter to the SEC, dated April 30, 2002, is filed as Exhibit 16 to the Form 8-K filed on April 29, 2002 by The Trust.

Effective April 29, 2002, the firm of Ernst & Young LLP was engaged to serve as the Trust's independent public accountants for the fiscal year ending December 31, 2002. The Board has appointed Ernst & Young LLP as the Trust's independent public accountants for 2003.

In October of 2002, Ernst & Young LLP was engaged to re-audit and report on the Trust's consolidated financial statements for the years ended December 31, 2001 and 2000. The Trust's SEC Form 10-K, filed on March 11, 2003, contains the report of Ernst & Young LLP for the three years ended December 31, 2002. This report contains an unqualified opinion for both the re-audit of the Trust's financial statements for the two years ended December 31, 2001 and the audit for the year ended December 31, 2002.

Representatives of Ernst & Young LLP are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

Section 16(a) Beneficial Ownership Reporting Compliance

Based on our records and other information, we believe that all SEC filing requirements applicable to our Trustees and officers were complied with in 2002, except that Edmund B. Cronin, Jr., CEO filed two late Form 4's containing two transactions, and Kenneth C. Reed, Managing Director of Property Management filed three late Form 4's containing four transactions.

APPENDIX C

WASHINGTON REAL ESTATE INVESTMENT TRUST

AUDIT COMMITTEE CHARTER

Revised as of February 20, 2003

Committee Purpose

The Audit Committee's (the "Committee") purpose shall be to (A) represent and assist the Board of Trustees (the "Board") in oversight of (1) the integrity of Washington Real Estate Investment Trust's (the "Trust") accounting and financial reporting processes and audits of the Trust's financial statements, (2) the Trust's processes for compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Trust's internal audit function and independent auditors; and (B) prepare the report that Securities and Exchange Commission rules require be included in the Trust's annual proxy statement. The Audit Committee represents and assists the Board in discharging its responsibility of oversight, but the existence of the Committee does not alter the traditional roles and responsibilities of the Trust's management and the independent auditor with respect to the accounting and control functions and financial statement presentation.

Committee Composition and Operation

The Committee shall consist of no fewer than three Trustees, none of whom are employees of the Trust or any of its affiliates and all of whom are independent as required under the rules promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission. No Committee member may serve on the audit committee of more than three public companies.

The Board shall have the authority to remove at any time one or more of the members of the Committee, to fill any vacancy that may exist on the Committee or to fill any newly created Committee membership caused by the increase in the size of the Committee.

The Committee shall meet at least four times annually, or more frequently as circumstances require.

The Committee may create one or more sub-Committees to which it may delegate some or all of its authority.

The Committee may make such rules of procedure as it deems necessary or appropriate for its efficient functioning.

Committee Duties and Responsibilities

1. The Committee shall have sole authority to (A) retain and terminate the Trust's independent auditors; (B) pre-approve all audit engagement fees and terms, including the scope and timing of the audit, in conformance with the approval requirements as promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission; and (C) pre-approve any significant audit-related relationship with the independent auditor. The Committee shall have sole authority to evaluate and determine whether consulting services to be obtained by the Trust are "audit-related" or "non-audit related" for purposes of applying the Trust's policies and the applicable rules as promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission with regard to such services.
2. The Committee shall be directly responsible for oversight of the work of any independent auditor employed by the Trust for the purpose of preparing or issuing an audit report or related work (including resolution of disagreements between management and the auditor regarding financial reporting), and each such independent auditor shall report directly to the Committee.

Table of Contents

3. The Committee shall, at least annually, obtain and review a report by the independent auditor describing: the firm's internal quality control procedures; any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (to assess the auditor's independence) all relationships between the auditor and the Trust.

After reviewing the foregoing report, and the independent auditor's work throughout the year, the Audit Committee will evaluate the auditor's qualifications, performance and independence. The evaluation will include the review and evaluation of the lead partner of the independent auditor. In making its evaluation, the Audit Committee will take into account the opinions of management and the Trust's internal auditors. In addition to assuring the regular rotation of the lead audit partner as required by law, the Audit Committee will further consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself. The Audit Committee will present its conclusions with respect to the independent auditor to the full Board.
4. The Committee shall review the organization and schedule of annual audits conducted by the Trust's internal auditor and review with management and the internal auditors significant recommendations made by the internal auditors and the implementation of those recommendations.
5. The Committee shall review periodically with the independent auditor and management the Trust's policies and procedures with respect to internal auditing, accounting and financial controls, as well as any internal control report required to be included the Trust's Annual Report on Form 10-K. This review shall also include a review, upon completion of the annual audit, of the reports or opinions proposed to be rendered in connection with the annual audit; the independent auditor's views of the Trust's financial and accounting personnel; the cooperation which the independent auditor received in the course of its review; and any significant findings of the independent auditor with respect to change in accounting principles and practices, significant transactions outside the normal course of the Trust's business and any recommendations which the independent auditor may have with respect to improving internal accounting controls, choice of accounting principles or management systems.
6. The Committee shall review and discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including the Trust's disclosures in its Annual and Quarterly reports under "Management's Discussion and Analysis of Financial Condition and Results of Operations."
7. The Committee shall review with the independent auditor and with management the Trust's conflict of interest policies.
8. The Committee shall report regularly to the Board, and review with the full Board any issues that arise with respect to the quality or integrity of the Trust's financial statements, the Trust's compliance with legal or regulatory requirements, the performance and independence of the Trust's independent auditors, or the performance of the internal audit function. The Committee shall also make such recommendations to the Board as the Committee deems appropriate.
9. The Committee shall meet separately, periodically, with management, with internal auditors and with independent auditors.
10. The Committee shall discuss and review with management the Trust's guidelines and policies with respect to risk assessment and risk management, including the Trust's major financial risk exposures and the steps management has taken to monitor and control such exposures. However, the Committee's duties and responsibilities in this regard do not alter the obligation of the CEO and senior management to assess and manage the Trust's exposure to risk.
11. The Committee shall review with the independent auditor (A) any audit problems or difficulties (including any restrictions on the scope of the independent auditor's activities or on access to requested information,

Table of Contents

and any significant disagreements with management); and (B) management's response. The review will also include discussion of the responsibilities, budget and staffing the Trust's internal audit function.

12. The Committee shall set clear hiring policies for employees or former employees of the independent auditor.
13. The Committee shall, as appropriate to carry out its duties, obtain advice and assistance from independent legal, accounting or other advisors. The Committee shall have full power and authority to retain such advisors as and when the Committee deems it appropriate to do so, and to authorize the payment of compensation any such advisors, without first seeking Trustees' approval.
14. The Committee shall conduct an annual evaluation of its performance of its duties and the continuing adequacy of its charter. While the fundamental responsibility for the Trust's financial statements and disclosure rests with management and the independent auditor, the Committee shall review (A) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Trust's selection or application of accounting principles, and major issues as to the adequacy of the Trust's internal controls and any special audit steps adopted in light of material control deficiencies; (B) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; (C) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, if any, on the financial statements of the Trust; and (D) earnings press releases (paying particular attention to any use of "pro-forma," or "adjusted" non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies.
15. The Committee shall establish procedures for (A) the receipt, retention and treatment of complaints received by the Trust regarding accounting, internal accounting controls, or auditing matters; and (B) the confidential, anonymous submission by employees of the Trust of concerns regarding questionable accounting or auditing matters.
16. The Committee shall discuss the types of information to be disclosed and the type of presentation to be made in earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee need not, however, discuss in advance each earnings release. The Committee shall discuss at least Annual and Quarterly releases before they are published.
