PROXY STATEMENT

This Proxy Statement is furnished by the Trust's Board of Trustees (the "Board") in connection with its solicitation of proxies for use at the Annual Meeting of Shareholders on May 12, 2005 and at any and all adjournments thereof. Mailing of this Proxy Statement, the form of Proxy and the Annual Report of the Trust will commence on or about March 28, 2005 to shareholders of record as of March 17, 2005. All proxies will be voted in accordance with the instructions contained therein, and if no instructions are specified, the proxies will be voted in accordance with the recommendations of the Board. Therefore, if no instructions are specified, the proxies will be voted FOR the election of the two Trustee nominees listed and AGAINST the shareholder proposal. Abstentions and broker non-votes (proxies that indicate that brokers or nominees have not received instructions from the beneficial owner of shares) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulating the total number of votes cast on proposals presented to shareholders, whereas broker non-votes are not counted for purposes of determining the total number of votes cast. A Proxy on the enclosed form may be revoked by the shareholder at any time prior to its exercise at the Annual Meeting by submitting, to the Corporate Secretary of the Trust, a duly executed Proxy bearing a later date or by attending the Annual Meeting and orally withdrawing the Proxy.

The voting securities of the Trust consist of shares of beneficial interest, \$0.01 par value ("Shares"), of which 42,003,659 Shares were issued and outstanding at the close of business on March 17, 2005. The Trust has no other class of voting security. Each Share outstanding on March 17, 2005 will be entitled to one vote. Shareholders do not have cumulative voting rights.

THE BOARD OF TRUSTEES AND MANAGEMENT

The Board of Trustees

The Board consists of seven Trustees divided into two classes of two Trustees each and one class of three Trustees. The terms of the Trustees continue until the Annual Meetings to be held in 2005, 2006 and 2007, respectively, and until their respective successors are elected. At each Annual Meeting, two or three Trustees are elected, subject to the limitations described below, for a term of three years to succeed those Trustees whose terms expire at such Annual Meeting. The Trust's By-Laws provide that no person shall be nominated for election as a Trustee after their 72nd birthday.

The Board held eight meetings in 2004. During 2004, each incumbent Trustee attended more than 75% of the total number of Board and committee meetings he or she was eligible to attend. The Trust's non-management Trustees meet at regularly scheduled executive sessions without management, presided by Mr. McDaniel, the chairman of the Corporate Governance Committee.

The Board has determined that all Trustees with the exception of Mr. Cronin are "independent" as that term is defined in the applicable listing standards of the New York Stock Exchange. The Board has determined that Mr. Osnos is an independent Board member as that term is defined in the New York Stock Exchange rules. In making this determination, the Board concluded that, although Mr. Osnos is an employee of the Trust's outside counsel, because the Trust's payments to such counsel are not material to the firm or the Trust, the relationship does not constitute a material relationship with the Trust.

The Board provides a process for shareholders to send communications to the entire Board, or any of the Trustees. Shareholders may send these written communications c/o Corporate Secretary, Washington Real Estate Investment Trust, 6110 Executive Boulevard, Suite 800, Rockville, Maryland 20852. All communications will be compiled by the Corporate Secretary and submitted to the Board or the Trustees on a periodic basis.

All members of the Board attended the Annual Shareholders Meeting in 2004. The Board does not have a formal written policy requiring Trustees to attend the Annual Shareholders Meeting, although Trustees have traditionally attended.

The *Corporate Governance/Nominating Committee* held one meeting in 2004. The Committee members are Messrs. McDaniel, Derrick, Osnos and Ms. Williams. All members of the Committee are "independent" as that term is defined in the applicable listing standards of the New York Stock Exchange. The Committee performs the duties described in the Corporate Governance/Nominating Committee Charter, adopted by the Board, a copy of which, as revised on November 29, 2004, is included as Appendix A. Among other things, the Committee develops and recommends corporate governance principles.

Table of Contents

evaluates the performance of the Chief Executive Officer in light of Trust goals and objectives, and recommends nominees for election to the Board of Trustees as outlined in Appendix A. The Committee will consider nominees to the Board submitted by shareholders in writing addressed to the attention of the Committee at the executive offices of the Trust in Rockville, Maryland. The Committee's minimum qualifications and specific qualities and skills required for Trustees are set forth in item number 7 of Appendix A on page A-2. In addition to considering candidates suggested by shareholders, the Committee considers potential candidates recommended by current Trustees, Trust Officers, employees and others. The Committee screens all potential candidates in the same manner regardless of the source of the recommendation. The Committee's review is typically based on any written materials provided with respect to the potential candidate. The Committee determines whether the candidate meets the Trust's minimum qualifications and specific qualities and skills for Trustees and whether requesting additional information or an interview is appropriate.

The *Compensation Committee* met five times in 2004. Committee members are Messrs. Nason, Kendall and Ms. Williams. All members of the Committee are "independent" as that term is defined in the applicable listing standards of the New York Stock Exchange. The Committee is responsible for making recommendations to the Board with respect to executive compensation decisions. See the "Report on Executive Compensation" on page 7 of this Proxy Statement. A copy of the Compensation Committee Charter, adopted by the Board, as revised on November 29, 2004, is included in Appendix B.

The *Audit Committee* met ten times in 2004. The Committee members are currently Messrs. Kendall, Derrick, McDaniel and Nason. Mr. Osnos resigned from the Committee on March 14, 2005. All members of the Committee are "independent" as that term is defined in the applicable listing standards of the New York Stock Exchange. The Board has determined that Mr. Kendall qualifies as an Audit Committee Financial Expert, as that term is defined in the rules of the SEC. The Audit Committee assists the Board in discharging its responsibility of oversight, but the existence of the Committee does not alter the responsibilities of the Trust's management and the independent accountant with respect to the accounting and control functions and financial statement presentation. For a more detailed description of the Audit Committee's duties and responsibilities see the "Audit Committee Report" on page 10 of this Proxy Statement. A copy of the Audit Committee Charter adopted by the Board, as revised on November 29, 2004, is included in Appendix C.

The six non-officer Trustees of the Trust received an annual retainer of \$20,000 plus a \$1,100 per meeting fee for attending Board and committee meetings. In addition, each non-officer Trustee received an annual grant of 2,000 Share options and 400 unrestricted Shares, both vested immediately. The Trust has approved a non-qualified deferred compensation plan for the Trustees. The plan will allow any Trustee to defer a percentage of his or her cash compensation. Compensation deferred will be credited with interest. Upon the expiration of a Trustee's term, the compensation plus interest can be paid in either a lump sum or in installments at the discretion of the Trustee. Upon death, the Trustee's beneficiary will receive a lump sum pay out. The plan is unfunded and payments are to be made from general assets of the Trust.

In November 2004, the Board of Trustees approved revisions to the Trustee Compensation Program, which specifies the compensation of Trustees who are not employees of the Trust. The first cash and Share grant benefits under the amended Program will be paid in 2005. The Program, as revised, provides for Trustee compensation as follows:

- The annual retainer will be increased from \$20,000 to \$25,000.
- Board meeting fees will be eliminated.
- Committee meeting fees will be \$1,000 per meeting.
- The Committee Chair annual retainers are as follows:

1. Audit Committee	\$7,500
2. Corporate Governance Committee	\$3,000
3. Compensation Committee	\$3,000

- Audit Committee members will be paid an additional annual retainer of \$3,750.
- Trustee annual long-term incentive compensation will be changed from options for 2,000 Shares and 400 restricted Shares to \$30,000 in restricted Shares. Restricted Shares will vest immediately upon grant and will be restricted from sale for the period of the Trustees' service.

During 2004, the Trust utilized the legal services of the law firm of Arent Fox PLLC, of which Trustee David M. Osnos is of-counsel. The amount of fees paid to Arent Fox did not exceed 5% of that firm's 2004 gross revenues.

Compensation Committee Interlocks and Insider Participation

The Board determined executive compensation for 2004. The Compensation Committee, composed of Messrs. Nason, Kendall and Ms. Williams, was responsible for making recommendations to the Board with respect to compensation decisions. There are no Compensation Committee interlocks and no Trust employee serves on the Compensation Committee.

REPORT ON EXECUTIVE COMPENSATION

2004 Executive Compensation Program

For 2004, the Board, upon recommendation of the Compensation Committee, continued the Incentive Compensation Program (the "Program") with modifications based upon the recommendations prepared by an independent consultant to align executive compensation with shareholder interests through salaries, cash bonuses and Share grants tied to WRIT's performance in comparison to a peer group.

Under the Program the Compensation Committee set salaries for the Trust's Executive Officers based upon (i) a review of the compensation paid to similarly situated Executive Officers employed by companies comprising the Morgan Stanley REIT Index; and (ii) a subjective evaluation of each Executive Officer's performance throughout the year. See "Executive Compensation — Performance Graph" for additional discussion regarding the Morgan Stanley REIT Index. Cash bonuses were determined through a comparison of WRIT's 2004 FFO per share growth in excess of the weighted average FFO per share growth of our peer group.

We maintain a Share Grant Plan for all Officers and Trustees. In 2004, Officers received an award of Shares with a market value equal to a percentage of their cash compensation (45% for the Chief Executive Officer, 37% for Executive Vice Presidents, 35% for Senior Vice Presidents and 25% for Managing Directors.) Shares granted to Officers under the Share Grant Plan vest 20% per year over five years beginning on the first anniversary of the grant date and are restricted from transfer for five years from the date of grant. Some members of middle management received share grant awards that will vest 20% per year over five years beginning December 17, 2004. Officers no longer receive annual awards of Share options.

During 2004, a special award of 59,859 restricted Shares was granted to Executive Officers and Officers. The Board awarded this in recognition of the Trust's performance for 2003, as both Executive Officers and Officers received lower cash bonuses than were indicated by the Program.

In November 2004, the Board of Trustees approved an amended short-term and long-term incentive plan for Executive Officers, Officers and other members of management. The first cash benefits under the amended short-term plan will be paid in late 2005, and the first Share grants under the amended long-term plan will be made in 2006, in each case based upon 2005 results.

Table of Contents

The goals of the new plan are the following:

- To allow WRIT to attract and retain talented officers and executives.
- To provide added incentives to achieve various objective performance targets.
- To link compensation to shareholder results by rewarding competitive and superior shareholder returns as compared to a peer group of companies representing the real estate investment trust industry.

The short-term incentive compensation plan provides for the annual payment of cash bonuses based upon WRIT's achievement of its annual targets for funds from operations (FFO) per share and earnings before interest, taxes, depreciation and amortization (EBITDA). Each target will be determined in November of the preceding year by management and approved by the Board of Trustees. These measures will be weighted 50% each, and actual results for these measures will be compared to target levels annually. The combined results will then be adjusted by a multiplier, depending upon the condition of four objective measures of the market environment, in the event that WRIT significantly under-performs or outperforms its targets based on market factors unforeseen at the time the targets are set. The environmental factors could weight financial results within a range of 96-104%. The officers and executives will be paid cash awards equal to various percentages of their salaries based on the percentages resulting from the foregoing calculations and their positions, with minimum and maximum thresholds.

The long-term incentive plan was designed to align WRIT's management with shareholders. The long-term incentive plan provides for the annual grant of restricted WRIT Shares based on WRIT's 5-year rolling average total shareholder return compared to a weighted-average peer group. The awards will be granted in the form of restricted Shares, with a value equal to various percentages of their salaries based upon the foregoing comparison, with minimum and maximum thresholds. The Shares will be granted pursuant to WRIT's existing Share grant plan, will vest ratably over a five-year period from the date of grant and will not be permitted to be sold until the entire award has vested.

The Trust has adopted a non-qualified deferred compensation plan for the Officers and members of the Board of Trustees. The plan allows for a deferral of a percentage of annual cash compensation and Trustee fees. The plan is unfunded and payments are to be made out of the general assets of the Trust.

The Committee and the Board believe that compensation paid to the Trust's Executive Officers is comparable to that paid by the companies comprising the Morgan Stanley REIT Index.

Chief Executive Officer Compensation

Mr. Cronin's 2004 compensation consisted of his salary, bonus and Share grants based upon the Executive Compensation Program described above. Mr. Cronin's salary was recommended by the Compensation Committee based upon (i) a review of the compensation paid to Chief Executive Officers employed by companies comprising the Morgan Stanley REIT Index and (ii) a subjective evaluation of Mr. Cronin's performance throughout the year. In general, the REIT Index comparison and the subjective evaluation were weighted equally by the Committee and the Board when making the decision to set Mr. Cronin's salary at \$500,000. As described above under the Program, Mr. Cronin's 2004 bonus was based upon a comparison of WRIT's 2004 FFO per share growth to the weighted average FFO per share growth of our peer group, and his Share grants was a fixed percentage of his cash compensation. The Committee and the Board, confirmed by an independent consultant, believe that compensation paid to Mr. Cronin is comparable to compensation paid to the CEOs of the companies comprising the Morgan Stanley REIT Index.

Supplemental Executive Retirement Plan

The Trust established a Supplemental Executive Retirement Plan ("SERP") effective July 1, 2002 for the benefit of the CEO. Upon the CEO's termination of employment from the Trust for any reason other than death, discharge for cause or total and permanent disability, the CEO will be entitled to receive an annual benefit equal to his accrued benefit times his vested interest. The CEO shall vest in accordance with the following schedule for each year of continuous employment with the Trust measured by reference to his birthday and commencing with the CEO's sixty-fifth (65th) birthday:

<u>Years of Continuous Employment</u>	<u>Percentage Vested</u>
1	0%
2	0%
3	50%
4	75%
5	100%

Table of Contents

The CEO shall be 100% vested upon his seventieth (70th) birthday, if having remained employed through that date. In addition, the CEO shall become 100% vested in the event of his termination of employment prior to his seventieth (70th) birthday due to the incurrance of a total and permanent disability (as defined in the Trust's long-term disability plan). In addition, the Board of Trustees may, in its sole and absolute discretion, elect to accelerate the rate of vesting in whole or in part at any time.

The Trust purchased a universal life insurance policy on the CEO's life to serve as a source of funds to assist the Trust in meeting its liabilities under the SERP. Through an endorsement split dollar arrangement, the Trust has made available to the CEO pre-retirement life insurance coverage through age 70.

In the event the CEO continues in the employment of the Trust until age 70, the annual benefit to be paid to the CEO shall be \$200,000. The SERP is not subject to the vesting, funding and fiduciary requirements under ERISA.

Section 162(m)

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), a publicly held company such as the Trust will not be allowed a federal income tax deduction for compensation paid to the Chief Executive Officer or one of the other four most highly compensated Officers (other than the CEO) to the extent that compensation (including certain stock-based compensation) paid to such Officer exceeds \$1 million in any fiscal year, unless such compensation satisfies certain exceptions set forth in the Code. The Board intends to evaluate elements of compensation in light of Section 162(m), but may enter into arrangements that do not satisfy such exceptions to Section 162(m), as the Board determines to be appropriate.

AUDIT COMMITTEE REPORT

The Board maintains an Audit Committee, currently comprised of four of the Trust's outside Trustees. The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies Section 303A of the New York Stock Exchange's listed company manual. The Audit Committee oversees the Trust's financial process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The independent registered public accounting firm, Ernst & Young LLP, are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles and the effectiveness of the company's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements and management's assessment of the effectiveness of the Trust's internal controls over financial reporting.

The Audit Committee discussed with the Trust's independent registered public accounting firm the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Trust's internal controls and the overall quality of the Trust's financial reporting.

The Audit Committee reviewed with the independent registered public accounting firm their judgments as to the quality, and not just the acceptability, of the Trust's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61, "Communication with Audit Committees." In addition, the Committee has discussed with the independent registered public accounting firm their independence from management and the Trust, including the matters in the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board, Standard No. 1, "Independence Discussions with Audit Committees."

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Trust's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services provided that the Chair reports any decisions to the Committee at its next scheduled meeting.

**PROPOSAL 1:
ELECTION OF TRUSTEES**

Ms. Susan J. Williams and Robert W. Pivik stand for election as Trustees at the Annual Meeting, to serve for three years. It is intended that the proxies given to the persons named in the accompanying Proxy (unless otherwise indicated on such Proxy) will be voted for the election of Ms. Susan J. Williams and Mr. Robert W. Pivik. Ms. Williams currently serves as a Trustee. Mr. Pivik is nominated for the position being vacated by Mr. Kendall. Mr. Kendall, in accordance with the Trust's Bylaws, retires this year.

Mr. Robert W. Pivik, 67, most recently Chief Operating Officer of Howrey Simon Arnold & White LLP, served 35 years with the public accounting firm of Deloitte & Touche LLP. While at Deloitte & Touche, Mr. Pivik held several senior management positions, including Chief Financial Officer and Managing Partner, Mid-Atlantic Region. Mr. Pivik previously served as Director and Audit Committee Chairman of On-Site Sourcing, Inc. and as Executive Board Member of the Boy Scouts of America – National Capital Area Council. He has also chaired the Marketing Committee for the Greater Washington Board of Trade. His community activities have included membership in Federal City Council and the Economic Club of Washington.

Mr. Pivik was recommended by an independent director. His nomination was approved by the Corporate Governance Committee and the Board.

If a nominee becomes unable or unwilling to stand for election for any reason not presently known or contemplated, the persons named in the enclosed Proxy will have discretionary authority to vote pursuant to the Proxy for a substitute nominee nominated by the Board.

The election of Trustees requires the affirmative vote of the holders of a majority of the shares.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF THE ELECTION OF MS. SUSAN J. WILLIAMS AND MR. ROBERT W. PIVIK.

**PROPOSAL 2:
SHAREHOLDER PROPOSAL ON EXECUTIVE COMPENSATION**

Mr. Donald A. Saltz, 3842 Legation Street, N.W., Washington, DC 20015 (owner of 7,120 Common Shares), has advised the Trust that he plans to present the following proposal at the Annual Meeting. The proposal is included in this Proxy Statement pursuant to the rules of the SEC.

Executive Compensation Proposal

“This is a recommendation to the trustees and officers of WRIT that bonus awards, if made at all, be held to perhaps 10 percent of salary and not given in huge proportions.”

Proponent's Supporting Statement

“In 2003, the Trust paid out bonuses amounting to 84 percent of salaries to the four officers listed in the proxy statement. The bonuses were awarded even though the Trust that year had lower earnings and but a small increase in cash flow. The persons who were given the bonuses also received substantial salary increases from the prior year. The awarding of very large bonuses appears to be improper fiduciary responsibility by the Trust's management.”

RECOMMENDATION OF THE BOARD OF TRUSTEES

For the reasons described below, the Board believes that the Shareholder Proposal is not in the best interests of the Trust and its shareholders and therefore recommends a vote “AGAINST” the Shareholder Proposal.

The Board of Trustees and the Compensation Committee strongly support the concept of performance-based executive compensation programs that are designed to create long-term shareholder value and that are competitive with market compensation for senior management. Consistent with this philosophy, the Trust's executive compensation programs have been based on the Trust's FFO per share performance, and in 2003 and 2004, this performance was benchmarked against a peer group. In 2002, the Trusts' FFO per share performance did not exceed the specified goal, and therefore no bonuses were paid to senior management for 2002.

Table of Contents

The primary shortcoming of the Shareholder Proposal is that it would severely restrict the Trust's ability to competitively recruit and retain executive talent, particularly when competing for talent against the Trust's peer group of public real estate investment trusts as well as local private real estate companies. The Board and the Compensation Committee believe that unilaterally restricting potential incentive compensation for executives would place the Trust at a significant competitive disadvantage in recruiting and retaining its executives.

In accordance with its Board approved charter, the Compensation Committee, which is composed entirely of independent Trustees in compliance with the listing standards of the New York Stock Exchange, reviews and approves all policies under which compensation is paid to the Trust's executives. Each year, the Compensation Committee also issues a comprehensive report on executive compensation, which is included in the Trust's Proxy Statement, and discloses the compensation of the Trust's most highly paid executive management.

In selecting the appropriate compensation programs to use for the Trust's executives, the Compensation Committee must consider several factors, including the goals that the Board has established for the Trust, the competitive practices of comparable real estate investment trusts and prevailing market compensation levels. As described in the Report on Executive Compensation, bonuses are based on overall Trust financial performance.

The Board believes that its existing executive compensation program is properly aligned with shareholders' interests, as it is tied to the Trust's financial performance. In addition, the Board consults regularly with independent compensation consultants to review both the reasonableness and competitiveness of the Trust's executive compensation programs.

The approval of the proposal requires the affirmative vote of the holders of a majority of the shares.

THE BOARD OF TRUSTEES RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" THE SHAREHOLDER PROPOSAL RELATED TO EXECUTIVE COMPENSATION.

Committee Purpose

The Audit Committee's (the "Committee") purpose shall be to (A) represent and assist the Board of Trustees (the "Board") in oversight of (1) the integrity of Washington Real Estate Investment Trust's (the "Trust") accounting and financial reporting processes and audits of the Trust's financial statements, (2) the Trust's processes for compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, and (4) the performance of the Trust's internal audit function and independent auditors; and (B) prepare the report that Securities and Exchange Commission rules require be included in the Trust's annual proxy statement. The Audit Committee represents and assists the Board in discharging its responsibility of oversight, but the existence of the Committee does not alter the traditional roles and responsibilities of the Trust's management and the independent auditor with respect to the accounting and control functions and financial statement presentation.

Committee Composition and Operation

The Committee shall consist of no fewer than three Trustees, none of whom are employees of the Trust or any of its affiliates and all of whom are independent as required under the rules promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission. No Committee member may serve on the audit committee of more than three public companies.

The Board shall have the authority to remove at any time one or more of the members of the Committee, to fill any vacancy that may exist on the Committee or to fill any newly created Committee membership caused by the increase in the size of the Committee.

The Committee shall meet at least four times annually, or more frequently as circumstances require.

The Committee may create one or more sub-Committees to which it may delegate some or all of its authority.

The Committee may make such rules of procedure as it deems necessary or appropriate for its efficient functioning.

Committee Duties and Responsibilities

1. The Committee shall have sole authority to (A) retain and terminate the Trust's independent auditors; (B) pre-approve all audit engagement fees and terms, including the scope and timing of the audit, in conformance with the approval requirements as promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission; and (C) pre-approve any significant audit-related relationship with the independent auditor. The Committee shall have sole authority to evaluate and determine whether consulting services to be obtained by the Trust are "audit-related" or "non-audit related" for purposes of applying the Trust's policies and the applicable rules as promulgated from time to time by the New York Stock Exchange and the Securities and Exchange Commission with regard to such services.
2. The Committee shall be directly responsible for oversight of the work of any independent auditor employed by the Trust for the purpose of preparing or issuing an audit report or related work (including resolution of disagreements between management and the auditor regarding financial reporting), and each such independent auditor shall report directly to the Committee.

3. The Committee shall, at least annually, obtain and review a report by the independent auditor describing: the firm's internal quality control procedures; any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (to assess the auditor's independence) all relationships between the auditor and the Trust.

After reviewing the foregoing report, and the independent auditor's work throughout the year, the Audit Committee will evaluate the auditor's qualifications, performance and independence. The evaluation will include the review and evaluation of the lead partner of the independent auditor. In making its evaluation, the Audit Committee will take into account the opinions of management and the Trust's internal auditors. In addition to assuring the regular rotation of the lead audit partner as required by law, the Audit Committee will further consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself. The Audit Committee will present its conclusions with respect to the independent auditor to the full Board.
4. The Committee shall review the organization and schedule of annual audits conducted by the Trust's internal auditor and review with management and the internal auditors significant recommendations made by the internal auditors and the implementation of those recommendations.
5. The Committee shall review periodically with the independent auditor and management the Trust's policies and procedures with respect to internal auditing, accounting and financial controls, as well as any internal control report required to be included in the Trust's Annual Report on Form 10-K. This review shall also include a review, upon completion of the annual audit, of the reports or opinions proposed to be rendered in connection with the annual audit; the independent auditor's views of the Trust's financial and accounting personnel; the cooperation which the independent auditor received in the course of its review; and any significant findings of the independent auditor with respect to change in accounting principles and practices, significant transactions outside the normal course of the Trust's business and any recommendations which the independent auditor may have with respect to improving internal accounting controls, choice of accounting principles or management systems.
6. The Committee shall review and discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including the Trust's disclosures in its Annual and Quarterly reports under "Management's Discussion and Analysis of Financial Condition and Results of Operations."
7. The Committee shall review with the independent auditor and with management the Trust's conflict of interest policies.
8. The Committee shall report regularly to the Board, and review with the full Board any issues that arise with respect to the quality or integrity of the Trust's financial statements, the Trust's compliance with legal or regulatory requirements, the performance and independence of the Trust's independent auditors, or the performance of the internal audit function. The Committee shall also make such recommendations to the Board as the Committee deems appropriate.
9. The Committee shall meet separately, periodically, with management, with internal auditors and with independent auditors.
10. The Committee shall discuss and review with management the Trust's guidelines and policies with respect to risk assessment and risk management, including the Trust's major financial risk exposures and the steps management has taken to monitor and control such exposures. However, the Committee's duties and responsibilities in this regard do not alter the obligation of the CEO and senior management to assess and manage the Trust's exposure to risk.

Table of Contents

11. The Committee shall review with the independent auditor (A) any audit problems or difficulties (including any restrictions on the scope of the independent auditor's activities or on access to requested information, and any significant disagreements with management); and (B) management's response. The review will also include discussion of the responsibilities, budget and staffing the Trust's internal audit function.
12. The Committee shall set clear hiring policies for employees or former employees of the independent auditor.
13. The Committee shall, as appropriate to carry out its duties, obtain advice and assistance from independent legal, accounting or other advisors. The Committee shall have full power and authority to retain such advisors as and when the Committee deems it appropriate to do so, and to authorize the payment of compensation any such advisors, without first seeking Trustees' approval.
14. The Committee shall conduct an annual evaluation of its performance of its duties and the continuing adequacy of its charter. While the fundamental responsibility for the Trust's financial statements and disclosure rests with management and the independent auditor, the Committee shall review (A) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Trust's selection or application of accounting principles, and major issues as to the adequacy of the Trust's internal controls and any special audit steps adopted in light of material control deficiencies; (B) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; (C) the effect of regulator and accounting initiatives, as well as off-balance sheet structures, if any, on the financial statements of the Trust; and (D) earnings press releases (paying particular attention to any use of "pro-forma," or "adjusted" non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies.
15. The Committee shall establish procedures for (A) the receipt, retention and treatment of complaints received by the Trust regarding accounting, internal accounting controls, or auditing matters; and (B) the confidential, anonymous submission by employees of the Trust of concerns regarding questionable accounting or auditing matters.
16. The Committee shall discuss the types of information to be disclosed and the type of presentation to be made in earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee need not, however, discuss in advance each earnings release. The Committee shall discuss at least Annual and Quarterly releases before they are published.
